stating that Dr. Jayaram has since seen the places selected for the construction of the T.B. Hospital at Bangalore and that he has studied the plans with the Govt. Architect

94) It is stated that Dr. Jayaram saw the places selected for the Hospital and said that "The site is ideally situated and grounds proposed to be acquired will be quite sufficient to allow of future expansion".

95) The proposes, to start with, to make provision for four wards of 20 beds each (General wards) and for the construction of 10 special wards. He also states that the receipt of the modified plan from the Govt. Architect is awaited. Ref. paras 87 & 89 supra.

96 The plan & estimate which were called for by G.S. have not been sent now. Perhaps they need alterations.

97 The Dy Comr Bellary Distt may be asked to take action to acquire the lands required for the purpose without much loss of time.

Final Note by the Minister for Education and Public Health

Subject.— Administrative sanction for Rs.3,12,500/- for the construction of a Tuberculosis Hospital in Bangalore.

The Senior Surgeon who was asked to send suitable proposals for the construction of a Tuberculosis Hospital in Bangalore, has accordingly submitted plans and estimates for Rs.3,12,500/- as detailed hereunder:-

1. Construction of an Administrative Block at Rs.2,20,000/-.
2. Construction of 4 general wards of 20 beds each at a cost of Rs.40,000/-.
3. Construction of wards for fresh operated cases at Rs.52,500/-.

He requests administrative sanction to the above works and to naming the proposed hospital as "Shanta Bai Devarao Tuberculosis Hospital" as desired by the donor.

It is proposed to sanction the above proposals, the cost of the building over and above the one lakh of rupees donated by Dharmaprakasa Mr. Devarao Shivaram for this purpose being met out of the State Funds under "24-Civil Works". The Dewan and the other Ministers agree and I solicit the gracious sanction of His Highness to the proposals.

Sir,

Acquisition of lands for T.B. Sanatorium near the Mental Hospital
B a n g a l o r e.

With reference to your letter No.GC.352-24 dated 14-3-1944 on the above subject, I have the honour to forward herewith for favour of counter signature and return two sets of preliminary notifications and final declaration statements, one for the acquisition of the lands in Siddapur village, Bangalore North Taluk and the other for the lands in Byrasandra village, Bangalore South Taluk.

2. The Sub Division Officer, Bangalore reports that the extent of land to be acquired in Byrasandra is 32-12 g and that the cost of acquisition thereof may be estimated at Rs.168,20/- inclusive of the value of makki and statutory allowance and of 15% for compulsory acquisition. The extent of lands to be acquired in Siddapur village is 51-16 a g. and the cost of acquisition thereof is estimated at Rs.38120/- inclusive of the statutory allowance of 15% for compulsory acquisition.

3. The total cost of the entire extent of the lands required may therefore be estimated at Rs.54,940/- Arrangements may kindly be made to provide for this in the estimate to meet the compensation payable to the land owners.

4. The files of records received with letter No.LAR 6/43-44 dated 27-3-1944 from the Sub Division Officer, Bangalore accompany for favour of reference and return.

I have the honour to be,
Sir,
Your most obedient servant,

for Deputy Commissioner, 31/3
Bangalore District.

Copy of letter No.L.A.R.6/43-44. dated 27th March 1944 from the Sub Division Officer, Bangalore to the Deputy Commissioner, Bangalore District, Bangalore.

With reference to your memo No.L.A.R.13/43-44 dated 20-10-1943 regarding acquisition of lands for the proposed Tuberculosis Sanatorium near New Mental Hospital, I have the honour to state that the lands required for the purpose are situated in Byrasandra and Siddapur villages of Bangalore South and Bangalore North Taluks. The total extent to be acquired in Byrasandra is 32 acres and 12 guntas, out of which 28 acres 12 guntas are valued at Rs.500/- per acre while 4 acres of land granted out of Survey No.107/1 recently under Darakhast Rules is valued at Rs.50/- per acre The cost of malki and stone pillars, barbed wire etc., in Survey Nos.29/2,2/3,2/1 and 2/2 is estimated at Rs.275/- The total cost of acquisition including statutory allowance for lands in Byrasandra village thus comes to Rs.16,319-0-0

The Amildar, Bangalore South, while recommending the acquisition brings to notice that there is a quarry in Survey No.107 which is being worked by contractors and has been yielding a good income to Government and it is not included in the present proposals for acquisition as it belongs to Government. It is a point for orders whether it should be included in the plot proposed for acquisition of left out and whether and to what extent the loss of royalty income to Government, in case the quarry is enclosed in the Sanatorium compound could be compensated. It is reported that this plot of land is at one end. The Amildar has further reported that this plot of lands selected for the Sanatorium are very near the village and may affect the health of the villagers in case a Sanatorium for Tuberculosis patients is located there where patients in different stages of infection would naturally be housed, giving scope for the spread of the disease in the parts close by and he has accordingly suggested that the Health Department may be consulted. The land bearing survey No. 5 is reported to a Toti Inam land where signs exist to show that this was used for burial ground by Adikarnatakas. Out of this land 1 acre is proposed to be acquired The Amildar reports that a land in exchange elsewhere or a plot out of the remaining portion of Survey No.5 has to be allotted for Adikarnatakas' burial ground. As it is not advisable to permit the continuace of the burial ground close to the Sanatorim, it is submitted that a land in exchange elsewhere may be selected for Adikarnatakas' burial ground.

As regards lands in Siddapur village in Bangalore North Taluk, the lands are valued at Rs.500/- per acre, except Survey No.34 whose value is estimated at Rs.450/- per acre. The total extent to be acquired is 51 acres 16 guntas. The value of the land is reported to be Rs.25,700-0-0 and of the malki Rs.7,443-8-0 The total cost of acquisition of lands in Siddapur will be Rs.33116 in round figures. The cost of acquisition of lands in both the villages will thus amount to Rs.54,935/- as per present estimate. No objections are reported to have been put forth in Siddapur village at present.

Declaration statements under Sections 9 and 17 of the Land Acquisition Act are submitted by the Amildars. I request that sanction of Government may be kindly obtained for the acquisition of the lands in question and for their publication inthe Mysore Gazette.

20 spare copies of the notification may be kindly sent for wide publicity in the locality.

Two files of records are herewith submitted for kind perusal.

Sub: Construction of a Tuberculosis Hospital in Bangalore.

In continuation of my letter No.G.C.352-26 dated 28th March 1944 on the above subject, I have the honor to submit herewith the detailed plans and estimates amounting to Rs. 3,27,270/- for the construction of a Tuberculosis Hospital in Bangalore. Dharmaprakasa Mr.Devarao Shivaram has paid a donation of Rs. 1,00,000/- for this purpose and the balance of the amount required viz., Rs.2,27,270/- has to be met by Government. I request you to obtain administrative sanction of Government for the construction of the building and to name the institution "Shantha Bai Devarao Tuberculosis Hospital" as desired by the donor (please vide your letter No.G.9100/Med. dated 5th February 1943). Proposals regarding the staff etc., required for the new institution will be submitted to Government when the construction is completed.

I have the honour to be,
Sir,
Your most obedient servant,

Senior Surgeon.

With reference to your D.O. letter No.2071/Med. dated 8th September 1944 on the above subject, I have the honor to state that Mr.B.Jayaram, Medical Officer, Princess Krishnajammanni Sanatorium, Mysore has since seen the place selected for the construction of the Tuberculosis Hospital in Bangalore and says that "the site is ideally situated and grounds proposed to be acquired will be quite expensive to allow of future expansion" He also informs me that he has studied the plans with the Government Architect and given certain suggestions to be incorporated in the revised plan to be prepared. I am awaiting the receipt of the modified plan from the Government Architect.

I propose that to start with, provision may be made for four wards of 20 beds each (General wards) and for the construction of 10 special wards.

I request that the Revenue Commissioner in Mysore may be authorised to proceed with the acquisition proceedings for the site required.
